

Wikis in the Classroom April 14, 2010 3:30pm-5:00pm

PBWORKS

3:30-3:45 What is a Wiki?

- 3:45-4:00 Showing the options
 - Implementing blogger into your lessons
 - How students can implement it into their lessons
- 4:00-4:30 Moving around blogger.com

4:30-5:00 Explore!!

- 1. What is a Wiki?
 - Reference: Wikis in Plain English, video
 - Program to use: <u>www.Pbworks.com</u>

2. Showing the options

- Implementing wikis into your lessons http://advancewebdesign.pbworks.com/

- How student can implement wikis into their work http://historyoftheinternet2.pbworks.com/

- Advice from PBwiki http://pbworks.com/content/edu-classroom-teachers

- 3. Setting up your account?
 - For Education \rightarrow Sign up \rightarrow Basic

- 4. Wiki as an administrator (setting up your wiki)
 - View vs. Edit
 - Working in Edit: text, images, videos, links to pages & helpful pages

• Product

Create a Wiki account and wiki home page which focuses on a unit which you cover in your class. The wiki should include:

- Home page with an introduction to your wiki space
- One image or video on home page
- A link to four additional wiki sub-pages (the wiki sub-pages do not need to have anything posted on them, the students will do that part!)
