## 2. Create a survey/form/quiz

The screenshot shows the 'Create a New Survey' page. At the top, there are navigation tabs: 'Create Survey', 'My Surveys', 'Address Book', and 'My Account'. Below the tabs, a message states: 'You have a basic account. To remove the limits of a basic account and get unlimited questions, [upgrade now!](#)'

### Create a New Survey

Select one of the options below to get started. If you already have an idea for your survey, just create a new survey from scratch. If you are a need a creative spark, select one of our pre-existing templates to modify and use for free.

**NEW Create your survey in any language!**  
Now you can specify your survey language, and we will display buttons, help text, and error messages in that language. More than 20 languages to "Survey Options" on the next page and choose your language from the Survey Language dropdown.

#### How Would You Like to Create a New Survey?

- Create a new survey from scratch**
- Copy an existing survey**  
--Select an Existing Survey--
- Use a survey template** ★ **Templates are for pro accounts only.** Please [upgrade now](#) to a professional account to e  
--Select a Template Category--

## 3. Editing survey/form/quiz

The screenshot shows the 'Edit Survey' page. At the top, there are browser tabs: 'Natick Public Scho...', 'iPass', 'Inbox (3) - Yahoo...', 'In the Classroom', and 'Create a Survey - ...'. Below the tabs, a message states: 'You have a basic account. To remove the limits of a basic account and get unlimited questions, [upgrade now!](#)'

survey title: **Hire Me Now!** [Edit Title](#)

**design survey** | **collect responses** | **analyze results**

#### 4. Creating a link or e-mail for your survey/form/quiz. Collecting Responses.

You have a **basic account**. To remove the limits of a basic account and get unlimited questions, [upgrade now!](#)

survey title:  
**Hire Me Now!** [Edit Title](#)    **design survey**    **collect responses**    **analyze results**

### Collect Responses for "Hire Me Now!"

Select the method you would like to use to collect responses. We refer to the method that you use to collect responses as a "collector". While most people use only a single collector, you may want to use multiple collectors if you are sending your survey to different groups of people. Each collector can have its own unique settings and restrictions, and can be closed and opened independently. For more information about collectors, visit the [help center](#).

**How Would You Like to Collect Responses?**

-  **Create a link to send in your own email message or to place on a webpage**  
 The simplest and fastest way to collect responses. We generate a link for your survey that you can just copy and paste.
-  **Upload your own emails and have us send a survey invitation**  
 You can upload your emails, and we will send a survey invitation on your behalf. You can customize the message that is sent, and track who responds in your list.
-  **Create a popup invitation for your webpage**  
 We give you the code to generate a popup invitation on your own webpage.

**Enter a Name for this Collector:**

Name:  (max 100 characters)

#### 5. Analyzing Results

survey title:  
**Classroom Experience** [Edit Title](#)    **design survey**    **collect responses**    **analyze results**

current report: **Default Report** [Add Report](#)

**View Summary**    **Browse Responses**    **Filter Responses**    **Crosstab Responses**    **Download Responses**    **Share Responses**

### Response Summary

Total Started Survey: 34  
 Total Completed Survey: 34 (100%)

Page: Class Survey

1. Did this class meet all of your expectations? [Create Chart](#) [Download](#)

	Response Percent	Response Count
This class met all of my expectations	64.7%	22
This class met some of my expectations	32.4%	11
This class met some of my expectations some of the time	0.0%	0
This class met a few of my	0.0%	0

## Class Product

1. Create an account in SurveyMonkey.com
2. Create a survey/form/quiz with a min. of five questions.
