

Creating a Home Page

Directions: Using sites listed below as a resource design a home page for the Spring 2012 “Bringing it All Together” Website. You only need to create the home page. The home page needs to include the following:

1. Link Titles: About, Students, Lessons and Resources (just have them link to Google)
2. Site Title (Natick Advance Web Design- Bringing it All Together)
3. Media Place Holder (scrolling images)
4. Image Place Holder
5. Text Place Holder
6. Footer: Advance Web Design • Natick High School • 25 West St. Natick, MA

• Site Resources

1. <http://natickhighwebdesign.com/advanceclass/>
2. <http://natickhighwebdesign.com/advanceclassfall2011/>
3. <http://www.advancewebtest.hostei.com>
