

Advance Web Design II

Week Outline

March 7 - 11, 2016

Objectives: (Review and Know)

1. Students will be able to apply newly learned Dreamweaver skills onto an .HTML and .CSS
2. Students will focus on using advance features in Dreamweaver, which will include loading .html, .css and .js files onto the ftp.
3. Students will learn to work in a group setting on a single .html and .css file through the use of the built-in FTP client in Dreamweaver
