January 16, 2014

1. Priorities to Work on During Class Time

** For any additional instructions on the items listed below see the week outline or "In the Classroom"*

- Finish building your professional site
- Site Reports

** Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you- do not give of us a reason to have to watch you!*

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on the class this semester will be assigned as part of your Educational Website grade.
