What to Do While I am Out

Advance Web Design I & II
December 9, 2014

For any additional instructions on the items listed below see the "Student Resources" page for Intro. Web Design
  (http://mrscullen.com/studentresourcesadvweb1.html) or
(http://mrscullen.com/studentresourcesadvweb2.html)

1. **Advance Web Design I** - Use class time to finish building for the "Bringing it All Together" Home Page. If you have completed this page start working on the home page of your educational site. Remember to create a new root folder and set up a new site in Dreamweaver.

   In the Classroom Resources:
   1. Bringing it All Together, Home Page Rubric
   2. Start Building!

To Submit by the end of Class: By the end of class you need to share a Google Doc with the title "Name of Class, BIA Final" and in that document include 2 screens shots of your completed file: 1. from the back end of Dreamweaver and 2. Of your page previewed on the Web. For more detailed directions on what to submit please watch the "What to Do While I am Out" video.

2. **Advance Web Design II** - Build! Build! Build! You should be building the side pages of your professional site at this point.

In the Classroom Resources:
1. Project Management Process (page 5 and beyond)
2. Start Building!- if you get to this point.

To Submit by the end of Class: By the end of class you need to share a Google Doc with the title "Name of Class, Professional Site" and in that document include 2 screens shots of one of your side pages: 1. from the back end of Dreamweaver and 2. Of your page previewed on the Web. For more detailed directions on what to submit please watch the "What to Do While I am Out" video.

* Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you- do not give of us a reason to have to watch you!*

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on Photoshop will be assigned.
