

Are You Smarter than an Apple?

Directions: Good morning and welcome to “Are You Smarter than a Fifth Grader”?, Natick High Special Edition, also known as “Are you Smarter than an Apple”? Today you will be showing off yours skill on how to use a Mac for the chance of a test free Monday!! The rules are as followed...Mrs. Cullen will be providing you with 21 questions which cover different features of a Mac. If you think you can answer the question you will have to prove your knowledge on your computer in front of the class. If a student can not answer the question or answers the questions incorrectly Mrs. Cullen will receive a point but if anyone in the class can answer the question correctly the class will receive a point. Whoever has the most points at the end of the game will win! If Mrs. Cullen wins, the class will have a test on the curriculum covered in the exam and if the class wins you will not have a test on the material. A student can not answer any more than 2 questions for the class and you will have 10 minutes to review the questions before the game will begin. Notes must be taken during the game and will be turned in for a grade, wether you win or lose. Good luck and let the games begin!!
