

3:2:1 Weekly Exit Slips

At the end of every other week you must complete your “Bi-weekly Exit Slip.” This slip is a 4x6 index card which will be placed in alphabetical order by your last name in the box on my desk. At the beginning of each exit slip week I will post on the site what I would like you to communicate on the card. Your “Bi-Weekly Exit Slips” will count toward your class participation portion of your grade.
