Meet My Friend

Introductions

Directions: Each person at your table will need to introduce themselves using the following guidelines:

1. Name & When they took Intro. Web Design
2. Share one Website which represents their summer experience and explain the reasoning for that Website (All visit this Website)
3. Share one thing they are looking forward to in this class
4. Share one piece of code they remember from Intro. or Adv. I (this code will eventually be visually displayed on the front white board)
5. Now introduce them to the class!!! It is your responsibility to introduce the person to your right to the entire class. Be sure to take in all the details and introduce them with all of the correct information.
