## **iPHOTO INDIVIDUAL ASSESSMENT**

*Directions:* Using the space below write at least 3 paragraphs, which provide an individual assessment of the iPhoto unit. In your assessment write up

Please cover the following topics:

- Describe this unit and your goals of the unit.
- What did you like best about this unit? What you did like the least?
- Did you personally have any problems? What were they and how did you solve them?
- Of what aspect of this unit are you most proud? What do you wish you had done better?
- Did you follow your plan (example: Goals and Objectives sheet and Inspiration Outline)? If not why not? What affect did it have on your file?
- What did you learn from this unit that might be applicable to other classes or future learning?

See "Expectations for NHS Students Writing" for writing expectations.
