WHAT TO DO WHILE I AM OUT
March 26th, 2015

For any additional instructions on the items listed below see the “Student Resources” page for Intro. iPad Publishing, <http://mrscullen.com/studentresourcesipad.html>

1. Copyright Worksheet
(directions for this worksheet are provided in the linked assignment and they were provided to you in class prior to me being out)

2. Using the files we just set up in the InDesign Folio Builder complete the following three dynamic content video tutorials: hyperlinks, buttons and scroll frame. If you feel confident move onto slideshow. I will be checking the completion of the video tutorial upon my return on Monday. You may use filler text from lipsum.com and images from Google when working with content and images.
(each video tutorial is posted in the “Video Tutorials on all Dynamic Content Pieces” link)

** Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you- do not give of us a reason to have to watch you!*

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on static content in InDesign will be assigned.
