**WHAT TO DO WHILE I AM OUT**  
February 28, 2013

*\* Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you!*

1. Complete your Podcast project outline in Cadoo.com. Use the linked file "Project Outline" which is placed "In the Classroom" as a guide. Remember each bubble on the third level must have notes! The notes need to include research, facts and/or figures.

2. Complete bi-weekly exit slip

\* If you finish steps 1 - 2, you may listen to different podcasts to help provide you with ideas for your podcast.

**NO PLAYING VIDEO GAMES!** If I get any reports of video games being played a written reflection on Podcasts will be assigned.
