WHAT TO DO WHILE I AM OUT
April 23, 2013

1. Use the class time to read and look through the following files:
 - Design Principles
 - Color Association with Feelings
 - Trends
 - Photography CompositionOnce you have gone through each file complete the “Attractive Magazine Presentation Assignment.” Directions for this assignment are provided inside the link.

2. If you finish this assignment share it with me at lcullen@natickps.org . Next, you may try to create your own dynamic content pieces in InDesign. Use this time as a review for the Dynamic Content unit. (For example: you can create your own slideshow for “Boston Strong”)

** Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you!*

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on Dreamweaver will be assigned.
