

Web Design
WHAT TO DO WHILE I AM OUT
November 20, 2012

** Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you!*

HTML & CSS Refresher

1. Take the HTML "Practice" Quiz

Go to: <http://www.w3schools.com/quiztest/quiztest.asp?qtest=HTML> and take the 20 question HTML quiz. Some questions may be new so feel free to use the World Wide Web to help you answer the questions. This practice quiz will be graded as classwork grade. Your grade will be based upon completion. When you are finished with the quiz take a screen shot of your score and insert the screen shot into a Google Doc as an image. The Google Doc will be labeled Web Red, HTML Practice Quiz

2. Take the CSS "Practice" Quiz

Go to: <http://www.w3schools.com/quiztest/quiztest.asp?qtest=CSS> and take the 20 question CSS quiz. Some questions may be new so feel free to use the World Wide Web to help you answer the questions. This practice quiz will be graded as classwork grade. Your grade will be based upon completion. When you are finished with the quiz take a screen shot of your score and insert the screen shot into a Google Doc as an image. The Google Doc will be labeled Web Red, CSS Practice Quiz

3. If you did not complete the exit slip from last week please do so today.

* Both quizzes come from [ww.w3schools.com](http://www.w3schools.com) . Feel free to use that site as a resource to find the answers.

* If everything is finished have fun and try to create a HTML/CSS page on your own in Dreamweaver!

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on HTML/CSS will be assigned.
