WHAT TO DO WHILE I AM OUT
February 28, 2013

** Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you!*

1. Complete the Express Yourself (EYP), Pre-Assessment Analysis which is linked "In the Classroom." Do not stress this is just a pre-assessment your score will be based upon you completion of the assignment.

2. Continue to work on the Express Yourself Project (step by step directions are linked "In the Classroom.") Start following the directions on page 5. We already completed the directions on pages 1 - 4 together in class on Tuesday. If you get stuck ask another student near you for help.

3. Complete bi-weekly exit slip

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on Photoshop will be assigned.
