

3:2:1 Weekly Exit Slips

At the end of every other week you must complete your “Bi-weekly Exit Slip.” This slip is a 4x6 index card which will be placed in alphabetical order by your last name in the box on my desk. At the beginning of each exit slip week I will post on the site what I would like you to communicate on the card. Your “Bi-Weekly Exit Slips” will count toward your class participation portion of your grade.

- Exit Slip #6
 - 3: What are three things you will remember about this class?
 - 2: What are two lessons which you would like added into the curriculum for this class?
 - 1: In what way did you contribute to class this week?

- Exit Slip #5
 - 3: What are three things you have done in this class which you have never done before?
 - 2: Provide two things which you like about this class?
 - 1: In what way did you contribute to class this week?

- Exit Slip #4
 - 3: Use three words to describe this class.
 - 2: What are two things you have done in this class which made you feel accomplished. (example: finished magazine cover, learned Photoshop, understand the psychology of color...)
 - 1: In what way did you contribute to class this week?

- Exit Slip #3
 - 3: Provide 3 keywords which you learned/used in class during the Photoshop Unit. (example: contrast, proximity, layers, transparency, lasso tool...)
 - 2: What are two ways in which you used the Internet over the week?
 - 1: In what way did you contribute to the class this week?

- Exit Slip #2
 - 3: Provide three words to describe how you work on computers (example: confident, comfortable, nervous, lost...)
 - 2: Name two skills you think are the most essential to know to be successful when working on computers in school and in a future job?
 - 1: Name one thing you are looking forward to doing over February vacation. (besides sleeping!)

- Exit Slip #1
 - 3: What are three things you are looking forward to doing in this class?
 - 2: What are two concerns you had coming into this class?
 - 1: In what way did you contribute to the class this week?
