## DESIGN FOR SUCCESS

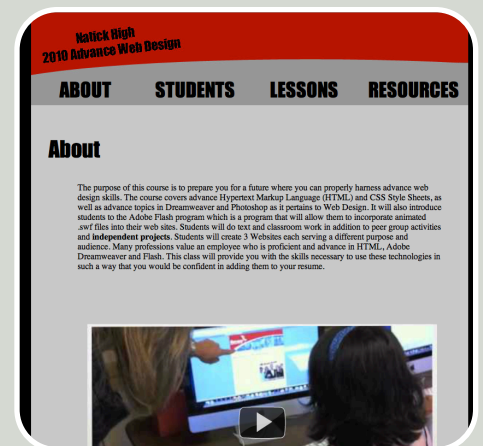

Do you want to be the next official Natick High Adv. Web Design I class designer, now is your chance!! Design a template to be submitted into the Bringing it All Together home page competition. If your template is chosen as the class template the class Website will be showcased through your design skills.

*Directions:* Using sites listed below as a resource design a home page for the Spring 2012 “Bringing it All Together” Website. You only need to create the home page. The home page needs to include the following:

1. Link Titles: About, Students, Lessons and Resources (just have them link to Google)
2. Site Title (Natick Advance Web Design- Bringing it All Together)
3. Media Place Holder (scrolling images)
4. Image Place Holder
5. Text Place Holder
6. Footer: Advance Web Design • Natick High School • 25 West St. Natick, MA
