January 17, 2014

1. Priorities to Work on During Class Time

** For any additional instructions on the items listed below see the week outline or "In the Classroom"*

- Finish building your personal site

- Content Peer Editing, Feedback Form

- Site Reports

- Take Home, Final Exam

(the final exam can not be handed into the substitute teacher, it can only be submitted during the finale exam period)

** Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you- do not give of us a reason to have to watch you!*

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on the class this semester will be assigned as part of the final exam.
