WHAT TO DO WHILE I AM OUT
September 29 & 30, 2015

1. Click on the Photoshop Worksheet link listed in “Student Resources.” Once you open Google file go to file --> Make a Copy so you are not editing the original file. Use the link in the Worksheet as a resource to answer the questions. The worksheet is due at the end of class, please share it with lcullen@natickps.org (or complete as homework if you do not finish.) Also, view the “How to Share a Google Doc” link on my Website if you forget the guidelines.
2. If you finish the worksheet early feel free to play the games “Real or Photoshop”, Pen Tool Challenge or Cool Colors Challenge all which are listed in the Student Resources section of my site.

** Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you- do not give of us a reason to have to watch you!*

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on Photoshop will be assigned.
