Introduction to Web Design

Week Outline
September 22 - 24, 2014

Objectives: (Express Yourself Project, Photoshop)
1. Students will be able to communicate through art how they perceive themselves in the world.
2. Students will be able to confidentially apply the Photoshop skills they learned in earlier lessons to create a professionally digitally designed self portrait.
3. Students will collaborate with other students to reflect upon the work they completed and to showcase their culture.
