

Introduction to Web Design

Week Outline

October 31 - November 4, 2016

Objectives: (Design Principles)

1. Students will be able to explain in a Google Doc using already created sites on the Web why they either do or do not follow design principles rules in the design/layout of their site.
2. Students will be able to communicate their knowledge of how to apply design principles when creating an attractive .html file through submitting class notes and completing a formative assessment.
3. Students will collaborate with other students to reflect upon the design principles which they identified as attractive during a teacher led Web site critique session.
