

**Intro. Web Design**  
**WHAT TO DO WHILE I AM OUT**  
February 3, 2015

1. With your partner who you met with at the end of class on Friday (the person who has the same keyword as you) work on completing your presentation for the Key Word Building Assignment. You both should be ready to present on your word upon my return on Thursday. Remember when creating your presentation be creative but informative! If you use an application, Website or creative technique I have never seen before to make your presentation you will receive extra credit! See the link below for additional directions, examples and the project rubric.

*\* Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you- do not give of us a reason to have to watch you!*

NO PLAYING VIDEO GAMES! If I get any reports of video games being played a written reflection on the importance of Web sites will be assigned.
