WHAT TO DO WHILE I AM OUT
March 5, 2014

1. Priorities to Work on During Class Time
    * For any additional instructions on the items listed below see the week outline or "In the Classroom"

    - Continue working on Express Yourself, Photoshop Steps (pages 3 - 15)

    - Express Yourself, Reflection. *We will share our work with each other on Friday but you can cover the other sections of the reflection for now.* (page 17)

       - Both parts of the Express Yourself project (picture and reflection) will be due before class on Monday, March 10th.

- If you get stuck ask for help from the other students around you.

  - **If you finish** all of the above challenge yourself with the Photoshop Ping Pong project.

* Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you- do not give of us a reason to have to watch you!

NO PLAYING VIDEO GAMES! If I get any reports of video games being played an additional written reflection on the Photoshop application be assigned.
