**WHAT TO DO WHILE I AM OUT**  
*September 18, 2013*

1. Click on the Photoshop Worksheet link listed “In the Classroom.” Go to file --> Make a Copy so you are not editing the original file. Use the link in the Worksheet as a resource to answer the questions. The worksheet is due at the end of class, please share it with [lcullen@natickps.org](mailto:lcullen@natickps.org)
2. If you finish the worksheet early feel free to explore in Photoshop. Also, you can watch the “The Killers” process example video tutorial and try it out yourself (the tutorial may take a few minutes to load)! Or the content aware process. Also, feel free to search for Photoshop tutorials on YouTube and try them out.

*\* Keep in mind as I told you the Tech department and myself can see the activity on your computer at any time. You should stay focused on the task at hand because you never know if anyone of us is watching you- do not give of us a reason to have to watch you!*

**NO PLAYING VIDEO GAMES!** If I get any reports of video games being played a written reflection on Photoshop will be assigned.
